Product

Dry Foam Carpet Cleaner

Features

Adopts fast-drying crystallizing cleaning method. It is rich in foam, leaves no residual stains, and features a concentrated formula to save usage. It can effectively remove carpet stains and better prevent over-wetting of carpets during cleaning. With anti-mite effect, after use, the carpet remains clean, dry and bright for a long time, restoring its original luster. It is easy to use with a pleasant fragrance.

Method of Application

Dilute at a ratio of 1:25 for use. First, perform dust removal and local stain removal on the carpet. Then put this product into the foam box and use it with a machine for cleaning. Use a carpet comb to lift the fibers when the carpet is not dry; after drying, thoroughly vacuum with a vacuum cleaner. Note that before use, test on an inconspicuous part of the carpet for colorfastness and material compatibility. Do not over-wet the carpet.
