Product

GR-1/GR-2 Granite Gloss Restorer

Features

GR features unique high-strength, ultra-fine diamond abrasive particles. It can improve dullness on granite surfaces, repair minor damage to the stone's top layer, and enhance the delicate, sand-like texture—making it more vivid, natural, uniformly harmonious, and brilliantly glossy.

Range of Application

GR-1: Black granite, black marble, black artificial stone, black polished tiles, and various dark-colored stones.

GR-2: Granite, artificial stone, polished tiles, etc.

Method of Application

1. Clean the floor and allow it to air-dry naturally.
2. Spray GR onto the floor (5-10ml per square meter). Use a 3M white pad or crystal nano pad, and polish evenly with a crystallizing machine until dry, which takes approximately 1-2 minutes.
3. If there is dust on the floor, clean it thoroughly with a dust mop, then repeat step 2 with GR to make the protective film stronger and more glossy.
4. For the first use of GR, it is generally recommended to repeat the process 1-2 times to achieve a brighter floor surface.
5. Finish by cleaning the floor with a dust mop. For daily maintenance, simply apply a fresh coat of GR.

Technical Data

Net Volume	Packaging	Physical State	Colour	pH
1000 mL	12 Bottles / Carton	Liquid	GR-1: Black / GR-2: Yellow	3-4

Storage and Safety

- The storage temperature should be above 0°C and the container should be well-sealed.
- Avoid contact with eyes. If it accidentally enters eyes, rinse immediately with plenty of clean water for at least 15 minutes; seek medical attention if irritation persists.
- Do not take orally. If swallowed, do not induce vomiting; rinse mouth with water and seek immediate medical advice, bringing this data sheet if possible.
- Keep out of reach of children and pets. Do not smoke, eat, or drink during application to avoid ingestion.
- TO BE USED EXCLUSIVELY BY PROFESSIONALS. Ensure the work area is well-ventilated during application. It is recommended to use personal protective equipment. Read the Method of Application before use.
